

Meet the Author:

JOHN VAN DER ZEE

John Van der Zee is the author of the acclaimed 1986 book "The Gate: The True Story of the Design and Construction of the Golden Gate Bridge". During this program, Mr. Van der Zee will talk about his book, which has been called the definitive history of the building of the Golden Gate Bridge. He will bring the Bridge's history up-to-date as we celebrate its 70th birthday. The Golden Gate Bridge is an engineering marvel and one of the most beautiful bridges in the world. The story of its design and construction is both controversial and fascinating.

Mr. Van der Zee is the author of eleven books, three novels and eight works of fiction. He has worked in advertising and is a well-known lecturer.
